*Cindahope Lovey Dovey section compiled by Nancy Hildreth.

We, Dick and Nancy Hildreth, would like to recognize a few champions who were sires not owned or bred by us but who were important contributors toward all the success we have had for the past 50 years...

CH HALSTOR'S PETER PUMPKIN, ROM, ROMC
AM/CAN CH BARWOODS WEATHER REPORT, ROM
CH BANCHORY THE CORNERSTONE, CD, ROM
AM/CAN CH MACDEGA MAINSTAY, ROM, ROMC
CH ROMAYNE'S SPORTIN' LIFE, ROM, ROMC
CH ROCKWOODS GOLD STRIKE, ROM, ROMC
CH SUNNYBROOK'S HERITAGE SPIRIT, ROM, ROMC
CH MACDEGA GLENHART GRAND PRIX, ROM, ROMC
CH BENAYR SENTIMENTAL JOURNEY
CH OZARK CREST CITY SLICKER, ROM, ROMC
CH MACDEGA SAUSALITO, ROM, ROMC

Note: It proved impractical to do full justice to the Hildreths' contribution to the breed (I quit when I had identified more than 2,400 Shelties who are descended from ones they bred and/or owned, and there were hundreds more waiting to be added to the list). In addition, many of those appeared multiple times in the list simply by virtue of the extensive use of their dogs and descendants. For example, Am/Can Ch Cindahope Heathcliff Hot Pocket appeared 24 times through the various threads—a remarkable record. Accordingly, this listing is only a sample of their influence, limited to titlists appearing within the first three generations solely to give an indication of what the far more extensive listing would contain.

—Bob Miller

NOTE: If the breeder or owner was Dick and Nancy Hildreth at the time of the dog's finishing, then these dogs are included; however, if a dog changed hands during his or her show career, this change is not tracked and those Shelties may not be included in this list. I do not track Performance titles by breeder or owner, so I can't find dogs that Dick and Nancy Hildreth might have been involved with if the dogs' names didn't include "Cindahope." I include the champion Sheltie in this list if the breeder and/or owner was Dick and Nancy Hildreth (at the time of that dog's finishing).
