Nelson and her daughter, Megan (Rabbit Run). Megan was handling in Juniors and was looking for a dog that would be an asset in the Juniors ring, one that enjoyed going to shows and had ring presence. Nioma Coen referred Megan and Connie to us, and I thought co-owning with them would be

a great idea. Megan had already proven her interest and motivation as she had already been doing quite well as a Junior Handler. So that's how Megan ended up with Am/Can Ch Cindahope Trade Mark, TD, ROMC. "Mark" has been an excellent sire, and in addition to earning his Canadian ROM, he also has sired four American champions—Am/Can/UKC Ch Halstor Cindahope Trueheart, Ch Halstor Cyrus The Great, BISS Am/Can Ch Shelhaven Rabbit Run Rhapsody, AOM and BISS Ch Sandance Ardastra.

We're really proud of Megan. She and Connie are like part of our family. It's one of the most rewarding things Dick and I have done. We have enjoyed watching Megan develop her relationship with "Mark" and admire all her accomplishments with him.

Liz: Sandy Taylor, the current owner of "Mark's" litter brother, "Tuffy" (Ch Cindahope Trade Secret, NA, NAP, NAJ, NJP, CGC), is another example of a successful collaboration. Sandy, who lives on Cape Cod, has earned several Agility titles with "Tuffy" and his brother from the following litter, "Casey" (Cindahope Life's A Beach, AX, MXJ, CGC), and cousin "Drummer" (Cindahope Sunny Side Up, NA, NAJ). Sandy and I now co-own a male puppy from a litter we had this past November. She'll train him and have fun with him, and we will finish his championship if he turns out.

Nancy: All through the years we have had many wonderful handlers, and we are very appreciative for all they did for our family of Shelties. For their talent in the ring, superb grooming and care of our dogs, knowledge of how shows work, and supreme

patience with us, we are eternally grateful.
